Subject: RECLAIM/NSR meeting

Hi Laura and Nicole,
Happy New Year!

We are hoping to meet with you next week to discuss our presentation for our RECLAIM/NSR meeting scheduled for January 21st.

Please let me know your team's availability. We are planning on discussing the following topics:

- Capacity Utilization for Quantification of Offsets Without Records
- Generation of ERCs for the Open Market
- Responses to Regulation XIII Comment Letters
- Co-Pollutant Strategy

I don't believe any of the topics are directly related to stationary source rules (including the letters). We are trying to schedule a meeting with Nicole and Doris on SSM guidance separately.

Regards,
Mike
